

# TRAKMASTER

# EXPLORER PT

Intro price from  
**\$139,900**

*by* **TRACK.**  
"RVs THAT INSPIRE"

Travel Height: 2229 mm  
Travel Height with aircon:  
2390mm  
Travel Width: 2005mm  
Travel Length: 6350mm

Ball Weight: 175kg\*  
Tare: 2060kg\*  
ATM: 2850kg

Australian made steel  
5 year chassis warranty  
5 year suspension warranty

Designed and built in Australia by TRACK, the all-new Explorer PT proudly carries forward the **rugged reliability** that has made Trakmaster a leader in **serious off-road caravanning**.

Introducing a **smart pop-top design** integrated into the proven Explorer platform, the Explorer PT delivers the perfect balance of **capability and comfort**. Renowned for its **toughness, intelligent layout** and true **off-grid performance**, the Explorer foundation now reaches new heights—literally.

When storing the Explorer PT, a **total height of under 2100mm** is possible depending on options fitted.

With up to **1000W of roof-mounted solar, 1500Ah of lithium battery capacity** and **3000W of inverter power**, the Explorer PT has the ability of going **all electric** so you can stay off-grid longer and travel further—without compromise.

**Adventure, extended. Freedom, amplified.**

Power
2 x 250Ah lithium batteries
Redarc 2000W Pure Sine Wave inverter
3 x 200W rooftop solar panels
Redarc Manager Alpha 50 with RedVision Display
Dual-supply 240V power points (internal & external)
Twin USB A/C charging points
External solar input via Anderson plug

Water
150L front-mounted water tank
100L mid-mounted water tank
50L rear-mounted grey water tank
High pressure pump with in-line grit filter and tempering valve on hot water lines
External shower point with handheld shower rose
Pressurised inlet for mains water supply
Water pickup from external source
Kitchen sink handpump fitted with high-quality water filter
Tap on drawbar

External Premium Kitchen
Stainless steel slide-out external kitchen featuring large preparation space, 3 x large drawers, glass sink top, flick mixer tap, easy to use windshield, 2 x dual-supply power points, under kitchen LED light, 3-burner gas cooktop with Piezo ignition, 2 x 4kg gas bottles
Pull-out fridge drawer with 95L Evakoool dual-zone fridge, tie downs and storage
External pantry with shelving & LED lighting

Internal Colours
Floor: Worn Oak
Drawer fronts: Charcoal Matte
Benchtop & table: Bardolino Oak

Internal Ensuite
Full height shower rose
Chemical-free cassette toilet
SOG ventilation

Interior Refinements
Queen-size pocket-spring mattress & under-mattress liner
North / south bed orientation with bedside consoles
Removable table
Windows featuring combination blinds & sandfly proof screens
Opening roof hatch with blackout blind and insect screen
Internal sink (11L capacity) with flick mixer tap
Coloured splashback & soap bottle holder
Rangehood above internal bench
Microwave under benchtop
Manual central locking of internal drawers
Diesel heater & hot water
Leather-look shaped & bolstered seating with embroidered branding
Laminate benches & overhead lockers
Side-wall storage pocket
2 x 3-speed fan with timer
Wall & vanity mirrors

Storage
Aerodynamic front nose cone storage
Slide-out drawbar drawer
Tunnel shelf above kitchen
LHS & RHS external side lockers
Internal drawers
Above bedhead storage

Outdoor Living
Manual wind-out awning
Sail awning

Suspension, Chassis, Body & Wheels
Trakmaster Trak-Two independent trailing arm coil suspension with twin shocks
2850kg ATM
Hot dipped galvanised chassis
Bump stops to suit 33" diameter tyres
17 x 9 alloy wheels
Off-road 12" electric brakes & handbrake
Sway Control & Breakaway Controller
Aluminium sandwich walls
Full-height entry door with built-in sandfly-proof security screen
LED tail lights & side clearance markers
Underbody protection mudflaps
Fixed rear bumper
Removable stabiliser legs

Drawbar
ARK dual wheel height adjustable jockey wheel
Flat 7 pin trailer plug
DO35 3.5 tonne fully articulated off-road coupling
Aluminium checker plate step & spirit level
Stone deflectors
Underfloor spare wheel mount

Media & Lightning
LED roof panels dimmable lighting
Bedside reading LED lights with USB chargers
External LED lights (white / yellow outputs)
Front nose cone & external lockers LED lighting

Roller awning – Aussie Traveller (inc anti-flap & rafter)	\$2,980

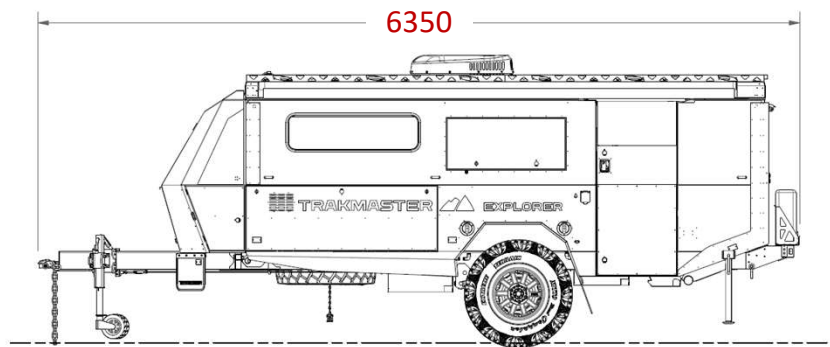

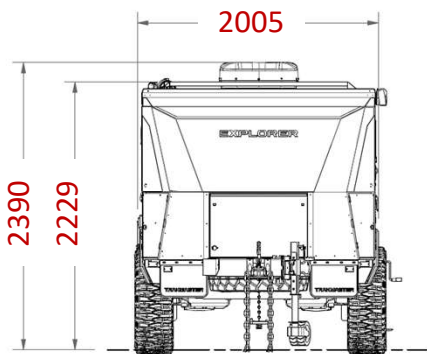

Suspension, Chassis, Body & Wheels	RRP (inc GST)
Customise suspension to best suit your tow vehicle specifications. Please be aware that not all offsets or PCDs can be matched and this is subject to our terms and conditions.	POA
Trailer safety control including ABS with wheel sensors, lane change control, sway mitigation, Bluetooth for diagnostics, odometer (Note: currently only available for drum brakes)	\$1500
Air suspension including onboard air, manual levelling with paddles/gauges, remote controller	\$5,900
Disc brakes (not compatible with DSC and ABS)	\$2,400
Rear bumper accessories – 2 x jerry can holders	\$245
Rear bumper accessories – 1 x jerry can holder, 1 x wood box	\$400
Rear bumper accessories – 2 x wood boxes or 1 x large wood box	\$450
Rear bumper accessories – additional spare wheel mount	\$175
Front bike rack option (requires tipping to open front nose cone)	\$1,475
Maxtrax mounting pins on rear wall (subject to rear bumper accessories fitted)	\$150
Safety Dave HD dual-lens rear-mounted camera (terminated on drawbar with WOZA socket (Note: WOZA cable to tow vehicle not supplied))	\$490

- A lower frontal profile slices through the air for improved aerodynamics, better fuel efficiency and rock-solid towing stability.
- Optional air suspension drops travel height by 80mm at the push of a button for smarter clearance and control. Depending on options fitted a storage height of less than 2100mm is possible.
- A massive 640mm lift powered by actuator-driven scissor mechanisms makes setup and pack-up fast, smooth and effortless.
- A tough sheet-metal front nose with integrated storage access adds durability and practicality up front.
- A folding full-height entry door with skirt break delivers true stand-up access wherever you pull up.
- Dial up your off-grid capability with options of up to 1000W of solar, up to 1500Ah of lithium power and up to 3000W of inverter output — giving you the ability of going all-electric that provides the freedom to stay out longer and go further.
