The **MK6 generation** builds on the rock-solid reputation award winning Tvan<sup>®</sup>s have established over more than 26 years. They are renowned for their bulletproof build and go-anywhere off-roadability since they first arrived on the Australian market.

The Tvan<sup>®</sup> MK6 shares the same off-road 'DNA' as previous Tvan<sup>®</sup> models. The MK6 boasts several huge improvements including vastly greater headroom that provides a more spacious feel, noticeably larger windows, improved interior lighting with a brighter more modern feel. The new front boot also receives a substantial refresh with a 40% larger fridge compartment that can accommodate a 95litre dual-zone fridge / freezer together with a 20% larger pantry.

The principal features of the Tvan<sup>®</sup> such as the quick erect tent, stored in its own compartment (not on the bed), MC2 Suspension<sup>®</sup>, hot dipped galvanised chassis, durable riveted steel and aluminium construction of the cabin and lower body lockers, aluminium rear folder platform (deck), off-road electric brakes and fully articulated off-road coupling are shared across all MK6 models.

*All other specifications, options and accessories are up to you. This allows you to customise your Tvan<sup>®</sup> to match your tow vehicle's capabilities, your camping needs, touring preferences and budget.*

## STANDARD SPECIFICATIONS – ALL MODELS SUSPENSION, CHASSIS AND BODY:

- Industry leading off-road hot dipped galvanised chassis with genuine military grade MC2 Suspension<sup>®</sup>
- Proprietary aluminium sandwich panel wall construction
- Significantly increased headroom around the bed
- Off-road electric brakes and hand brake
- DO35, 3.5 tonne fully articulated off-road coupling
- Aluminium checker plate drawbar step and spirit level
- Rear fold down deck coated in durable slip resistant finish for safe road side access featuring built in deck legs for convenience
- LED tail lights and slide clearance markers
- Rear wood rack
- 108L steel protected food grade water tank with grit filters
- Side pannier for 20L jerry can

## POWER:

- Roof mounted 200W solar panel
- Redarc Manager 30 with Redvision Display
- 3 x USB outlets of RHS and LHS of bed
- Merit, accessory and USB sockets throughout

## WATER:

- 108L water tank (rear mounted)
- Draw water from another source

## PREMIUM KITCHEN:

- Stainless steel slide out external kitchen
- 3 burner gas cooktop with piezo ignition
- White and yellow light over kitchen
- 1 x 12v merit plug in kitchen locker

## INTERIOR REFINEMENTS:

- Twin roof hatches with blinds and insect screens
- Genuine Australian made Wax Converters canvas (Dynaproofed)
- Easy to use magnetised tent fixings for a quicker and easier set up and pack up
- Magnetised window curtains
- Queen sized mattress
- LED light in tent, LED reading lights individually switched
- Storage locker lighting
- Insulated wall panels and fabric lined roof
