

RENEGADE 12
THE FIRST STEP

Compact, agile and adventure ready - genuine off-road touring capability in a lighter, tow friendly footprint

COMPACT SIZE, SERIOUS CAPABILITY

Adventure ready freedom. Built to go further.

The Rhinomax Renegade 12 is the compact entry point to true off-road hybrid touring - hand built in Australia with a clever lift up queen bed, a four seat cafe lounge, an outdoor gourmet kitchen and marine grade Victron off-grid power for couples who want capability without bulk.

1598kg
